Erratum to: *Hydrobiologia* (2011) 667:1–14 DOI 10.1007/s10750-011-0656-x

In the above mentioned publication, an incorrect version of Fig. 1a has been used. Due to accidental switching of the dates of the data contributions of two large data providers, the previously published Fig. 1a

gives an erroneous indication of the growth of EurOBIS—expressed in number of available distribution records over time—in the central part of the graph. This error has been rectified in the revised graph published on the following page, now representing the correct increase in number of distribution records for EurOBIS.

The online version of the original article can be found under doi:[10.1007/s10750-011-0656-x](https://doi.org/10.1007/s10750-011-0656-x).
